

## Sponsor a ZIVA Player

Dear \_\_\_\_\_;

Zone-In Volleyball Academy would like for you to become a part of our Sponsor a ZIVA Player Fundraiser. The idea for this fundraiser is easy. You will not be asked to buy over-priced popcorn, cookies, or pizza. Instead, the player listed below is asking you to make one donation that will help finance their ZIVA Player membership dues for this 2020-21 club season.

ZIVA has been created out of passion for the game of volleyball and dedication to growing young women. ZIVA believes in the importance of learning disciplined, fundamental technique at a young age and combining this with strength training and knowledge of the game to develop the most successful volleyball player. I believe in what ZIVA stands for; "Brilliance, shine, radiant" and helping young women to shine. "Let your light so shine before men, that they may see your good works and glorify your Father in heaven." ~Matt 5:16 ~

After a long summer and Tryout season, 12 amazing young ladies were selected to be on this competitive traveling team. Being a ZIVA competitive athlete is not inexpensive. A player should not be eliminated from playing and excelling at volleyball because the cost of participation can be a financial burden to a family. That is where you can make a difference. You can sponsor a player where 100% of the donation will go to the player of your choice.

Donations start at \$10.00 and can go to any level you feel comfortable giving.

Thank you for your consideration in sponsoring a ZIVA player. Your support is certain to have a positive impact on youth volleyball in Wichita Falls. As a Sponsor we would like to offer you...
